## RULES

### ELIGIBILITY

Anyone who isn't classified as ineligible (read below for further details.) Invite as many people as you wish including: colleagues, friends, family and remember.... **IT'S FREE!**

### INELIGIBILITY

Anyone who asks: "What is Mad Marchness?" We don't know about you, but we're tired of losing to the "I pick the team with the best colors," or, "I choose the school with the cutest mascot" After the dedication of studying endless hours of game film for all 65 teams, we simply can't be put through this extreme disappointment for yet another year.

### SCORING

From all eligible entries received, the winners will be determined based on their ability to use their skill and knowledge of college basketball to accumulate the most points during the tournament. A correct answer in a given round is shown below:

- Round 1: 10 points
- Round 2: 20 points
- Round 3: 40 points
- Round 4: 80 points
- Round 5: 120 points
- Round 6: 160 points

### IN THE EVENT OF A TIE

Tiebreaker #1 - The predicted score of the championship game is compared to the score of the championship game. The differences between the predicted scores and actual scores are calculated and added. The entry with the smallest total difference is considered the winning entry.
